

ONLINE BOOKSTORE

Torrossa Store

The secure online bookshop from Casalini Libri offers a wide variety of research-level content in the Humanities and Social Sciences from a range of important academic publishers, making it the ideal starting point for all your academic research, study or personal reading.

Find information

Browse our user-friendly interface to find thousands of books, journals, chapters and articles from Italy, Spain, France and Portugal, all in electronic format.

Access information

Visit the store at any time and anywhere, on your PC, tablet or smartphone.
Search for key terms within the full text and publication details, filter results and view the terms in context.

Use information

Purchase the texts you need securely using PayPal or credit card and download them from your order archive.
Create a personal workspace to add tags and notes, and create exportable title lists and bibliographies.
