

Arnaldo Forni e-content on Torrossa

The prestigious Arnaldo Forni publishing house is pleased to offer, in collaboration with Casalini Libri, a collection of historical texts in digital format.

Founded in 1973, the publishing house is specialised in reproductions of older and rare books and is renowned for its high quality publications. Arnaldo Forni's vast catalogue includes texts on History, Numismatics, Music, Folklore, Heraldry, Bio-bibliography, Dialectology, Religion, Law, History of Medicine and Social Sciences.

THE COLLECTION

The collection offers four series that are highly significant for historical and cultural studies. *Le Riviste del Novecento* is of particular importance since it includes the **complete archive of the journal *La Voce***, a major point of reference for political, social and other important issues during the early twentieth century.

AUTHORISATIONS AND MARC RECORDS

Permanent access is guaranteed for all purchased content. A small annual maintenance fee is charged for permanent access. This fee is waived in years that additional content/packages are purchased.

License terms grant authorized users with permissions to view, copy/paste text and print. Documents are accessible in PDF format.

Marc or Unimarc records will be provided for all titles included in the collection.

The Arnaldo Forni publishing house was officially founded in 1973, although its activities began at the beginning of the 1960s and has always enjoyed an excellent reputation in the field of historical reproductions, thanks to the volume and quality of its publishing.

The publisher's editorial decisions are based on in-depth bibliographical research, careful study and selection of texts. The scientific and scholarly value of its publications is ensured by a team of academic consultants.

Since its foundation in the late 1950's, Casalini Libri S.p.A. has been dedicated to the supply of bibliographical services, books and journals to national, academic and public libraries and institutions worldwide. Since its outset Casalini Libri has worked closely with libraries and publishers to develop customized supply and library services that suit the individual needs of our customers around the world.

The Casalini Libri Digital Division, established in January 2000 following an international pilot project, offers innovative electronic publishing services to the highest industry standards, collaborating with Italian and international publishers to create and distribute digital publications.

The company, headquartered in Fiesole (Florence, Italy), adheres to the ISO 9000 Quality Management System.
