

SISMEL publications on Torrossa

We are pleased to announce a new collaboration for the distribution in digital format of publications by **SISMEL - Edizioni del Galluzzo** exclusively on the **Torrossa** Platform.

Since its foundation in 1996 it has been the society's aim to publish and promote the research of the Società Internazionale per lo Studio del Medioevo Latino. An important international point of reference for Mediaeval Studies, SISMEL collaborates with several prestigious research institutions and its sphere of expertise also extends to Italian Studies and Romance Philology.

An initial collection of 57 e-books, consisting mainly of **essays** and **conference proceedings**, will be made available shortly on **Torrossa**. Religious and Mediaeval Latin Literature, Hagiography, Philosophy and Philology are just some of the areas covered by these publications.

Interested institutions may purchase the **complete set of 57 titles** or **pick and choose** the titles that are most relevant to their collections.

For orders received before 30th April 2015 a **special discounted rate** is available for each title the institution already owns in print format.

Titles are available in PDF format with permissions for copy/paste and print. Permanent access is guaranteed and subject to a small annual maintenance fee.
