New access point for Spanish content now online

Casalini Libri is pleased to announce the Beta version of its new portal for Spanish scholarly publishing.

eoo.torrossa.es offers an easy and direct access point to all Spanish e-collections on the Torrossa platform. Hosting works from numerous prestigious publishers and university presses, the platform is the main online resource for scholarly publishing from Spain.

Over **13,000 digital items** are available, including **4,000 e-books**, **300 e-journal issues** and **9,000 articles and chapters**, with more material expected to be published online by the end of 2013.

We invite you to discover our new dedicated portal for Spanish content and look forward to receiving your comments and suggestions.

From **2-4 October** we would be pleased to meet you at the **Liber book fair** at the **Madrid Arena**. Visit our **stand A26 on level 2** to discuss eoo.torrossa.es and our new Spanish language collections for 2014.
