#MicrobioJ

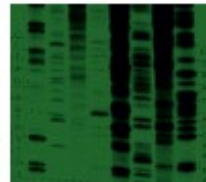

### JOURNAL OF GENERAL VIROLOGY

[jgv.microbiologyresearch.org](http://jgv.microbiologyresearch.org)  
#JGenVirol

### JOURNAL OF MEDICAL MICROBIOLOGY

[jmm.microbiologyresearch.org](http://jmm.microbiologyresearch.org)  
#JMedMicro

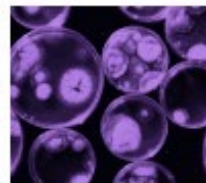

### MICROBIAL GENOMICS

[mgen.microbiologyresearch.org](http://mgen.microbiologyresearch.org)  
#MGen

### INTERNATIONAL JOURNAL OF SYSTEMATIC AND EVOLUTIONARY MICROBIOLOGY

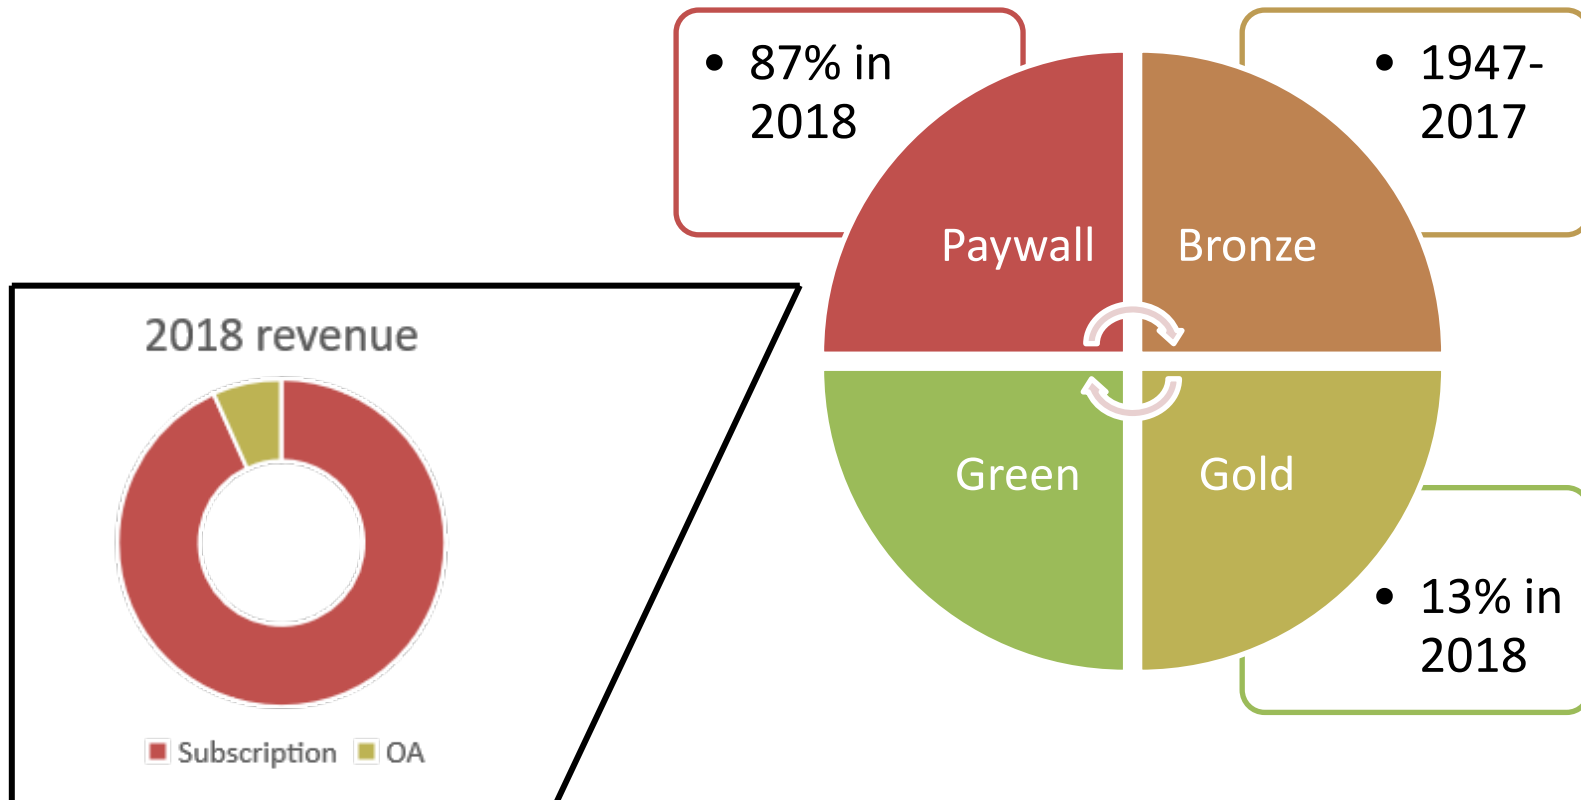

[ijs.microbiologyresearch.org](http://ijs.microbiologyresearch.org)  
#IJSEM

### ACCESS MICROBIOLOGY

[acmi.microbiologyresearch.org](http://acmi.microbiologyresearch.org)  
#AccessMicro

# Open Access today

# Into the Open Era

**Now** Competition  
for researcher  
attention

New business  
models

Proliferation  
of products

**Next** Early career  
researchers

Collaboration  
opportunities

Researcher  
services  
technologies

**Then** Changing  
research  
culture

Breaking  
down silos

Shift to service  
over product

# Routes to Open
